DOWNERS GROVE SANITARY DISTRICT GENERAL MANAGER'S REPORT June 11, 2021

June Board Meeting

Copies of the following items are enclosed for the June 11, 2021 meeting:

- 1) Proposed Agenda
- 2) Minutes of the May 18, 2021 regular meeting
- 3) Claim Ordinance 1902
- 4) Memo regarding the status of the NWLS Solar Project
- 5) Memo regarding tax levy and proposed tax levy ordinance
- 6) Planned Retirement Preparation Approval

BOLI Meeting

There is no BOLI meeting scheduled this month.

Operations Reports

Copies of the following are enclosed for May operations:

- 1) Progress Report from Clay on Administrative Services activities.
- 2) The WWTC Operations Report from Marc.
- 3) The WWTC/Lift Station Maintenance Report from Jeff.
- 4) Progress Report from Bob on Collection System Maintenance activities.
- 5) Progress Report from Keith on Collection System Construction activities.
- 6) Progress Report from Reese on Laboratory activities.
- 7) Engineering Report from Alex.

Infiltration/Inflow Removal Work

Inspection efforts on private property under the I/I program with the intention of conducting I/I removal is ongoing in the 1-K-028 (Cass and Burlington, WT) area. A map showing progress for this area is included here, as well as a status summary sheet.

Flow metering continues, including meters in the 1-M-050 (55th and Victor, DG) vicinity to evaluate post-rehabilitation and I/I reduction performance. Data collected during recent storms shows that the local system appears to be operating satisfactorily.

Financial

A copy of the Investment Schedule as of May 31, 2021 is enclosed.

The Treasurer's Report for May 2021 covering the first month of FY 21-22 is included herein, along with a summary cover memo.

Meetings

I attended the following meetings since the May 14, 2021 General Manager's report:

- May 17 attended CSWEA Executive Committee Meeting
- May 17 20 attended CSWEA 94th Annual Meeting. Bob, Alex and Stephanie also attended.
- May 28 gave a presentation on the DRSCW during the IAWA Monthly Nutrient Subcommittee NARP meeting
- June 3 attended DRSCW Project Committee meeting. Larry also attended.
- June 8 attended CSWEA Executive Committee meeting
- June 10 attended DRSCW Executive Board meeting. Larry also attended.
- June 10 attended NACWA webinar on Navigating New Funding Opportunities for Low-Income Water Customer Assistance

Miscellaneous

I will be taking vacation time from June 28 – July 2.

I was elected Second Vice President of the Central States Water Environment Association (CSWEA) during the Annual Meeting in May.

Copies of the following items are enclosed:

- 1) General Manager's Report to the Employees dated May 21 and June 4
- 2) May 27 memo to all employees regarding use of vaccination status information

cc: WDVB, AES, PWC, BOLI, WCC, MGP

The following elections and appointments were made: A motion was made by Trustee Sejnost seconded by Trustee Coultrap nominating Wallace D. Van Buren as President, closing the nominations for President and electing by unanimous consent Wallace D. Van Buren as President. The motion carried. (Votes recorded: Ayes–Sejnost and Coultrap.) A motion was made by Trustee Coultrap seconded by Trustee Van Buren nominating Amy E. Sejnost as Vice President, closing the nominations for Vice President and electing by unanimous consent Amy E. Sejnost as Vice President. The motion carried. (Votes recorded: Ayes–Van Buren and Coultrap.) A motion was made by Trustee Van Buren seconded by Trustee Sejnost nominating Paul W. Coultrap as Clerk, closing the nominations for Clerk and electing by unanimous consent Paul W. Coultrap as Clerk. The motion carried. (Votes recorded: Ayes–Van Buren and Sejnost.) A motion was made by Trustee Van Buren seconded by Trustee Coultrap appointing William Clay Campbell as Assistant Clerk. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Van Buren seconded by Trustee Coultrap appointing William Clay Campbell as Assistant Clerk. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Van Buren seconded by Trustee Sejnost and Coultrap. A motion was made by Trustee Van Buren seconded by Trustee Coultrap appointing William Clay Campbell as Assistant Clerk. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Van Buren seconded by Trustee Sejnost appointing Amy R. Underwood as

General Manager. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Coultrap seconded by Trustee Van Buren appointing William Clay Campbell as Treasurer. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Sejnost seconded by Trustee Coultrap appointing Baxter and Woodman, Inc. as engineers for the District sewer system and Wastewater Treatment Center. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Coultrap seconded by Trustee Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Coultrap seconded by Trustee Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Coultrap seconded by Trustee Sejnost appointing Philipp Law Office as attorneys for the District. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.) A motion was made by Trustee Coultrap seconded by Trustee Sejnost appointing Kenneth J. Rathje, Robert T. Jungwirth and Mark J. Scacco as members of the Board of Local Improvements. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.)

Renewal of BSSRAP Contract

General Manager Underwood presented a memo regarding a proposed Amendment No. 4 to the Sanitary Service Repairs Agreement with Uno Construction Company, Inc. This contract was awarded in 2017 and allows for an annual extension of the contract for up to a total of five years upon the mutual written consent of the District and the contractor. The contract also provides for annual adjustments to the unit prices based upon the greater of 3.00% or 100.00% of the annual change in the CPI-U from the preceding calendar year. The contractor has requested the annual extension. The annual change in the CPI-U for this year is 1.12%. This year's annual increase in the contractor's unit prices will be 3.0% bringing the contract price for this work to \$1,229,256.75 for the period from July 1, 2021 through June 30, 2022. A motion by Trustee Sejnost seconded by Trustee Coultrap was made approving Amendment No. 4 to the Sanitary Service Repairs Agreement with Uno Construction Company, Inc. and authorizing the General Manager and Assistant Clerk to sign same. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.)

Contract Award - 1K-028 Flow Basin Rehabilitation - Phase 3

General Manager Underwood reviewed the bid opening on May 11 for the 1K-028 Flow Basin Rehabilitation – Phase 3 Project. The project scope includes removal and replacement of three manholes and over 700 Lineal Feet of 8-inch and 10-inch open cut sanitary sewer, including connections to new and existing manholes and existing services, street restoration, alley restoration, and other miscellaneous items of work. Two bids were received. General Manager Underwood recommended that the District award the project to the lowest responsive, responsible bidder, Performance Construction & Engineering of Plano, Illinois, in the amount of \$698,713.00. A motion was made by Trustee Sejnost seconded by Trustee Coultrap awarding the contract for the 1K-028 Flow Basin Rehabilitation – Phase 3 project to the lowest responsive, responsible bidder, Performance Construction & Engineering, in the amount of \$698,713.00 and authorizing the General Manager to execute the contract documents. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.)

Contract Award - Sewer Televising

General Manager Underwood reviewed the bid opening on May 11 for the 2021 Sewer Televising project. The project consists of televising the sewers to improve our sewer condition assessment database. Six bids were received. Staff recommended that the District award the project to the lowest responsive, responsible bidder, Sewertech LLC of Schaumburg, Illinois, in the amount of

\$83,864.60. A motion was made by Trustee Coultrap seconded by Trustee Sejnost awarding the contract for the 2021 Sewer Televising to the lowest responsive, responsible bidder, Sewertech LLC, in the amount of \$83,864.60 and authorizing the General Manager and Assistant Clerk to sign the same. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.)

Annual Unsewered Area Plan Update for 2021

General Manager Underwood presented the District's Unsewered Area Plan Updates for 2021. This year's revision to the plan includes updated cost estimates to reflect increases in the construction cost index. It also includes revised quantities and other information in the Downers Grove Park sub-area to reflect 2020 new sewer construction in the Katrine-College (South) sub-basin along Katrine Ave. A motion by Trustee Sejnost seconded by Trustee Coultrap was made approving the annual Unsewered Area Plan update as presented. The motion carried.

Vacation Buyout Offering

General Manager Underwood presented a memo recommending that the District offer full-time employees the opportunity to receive compensation for up to forty (40) hours of their current vacation leave accumulation during an "election period" of June, July and August of 2021 due to a higher than average amount of accumulated leave resulting from travel restrictions and quarantine measures related to the COVID-19 pandemic. A motion by Trustee Sejnost seconded by Trustee Coultrap was made approving the offering of a District Staff Vacation Buyout to full-time employees. The motion carried. (Votes recorded: Ayes–Van Buren, Sejnost and Coultrap.)

Other New Business

Trustee Van Buren expressed his appreciation to Trustee Coultrap for his time serving on the Board. He inquired about the proposed part-time IT Coordinator position, noted in Administrative Supervisor Campbell's report, and suggested a full-time position might be more appropriate for the scope of responsibility. He also noted the new outdoor gazebos for employees at the Administration Center and Wastewater Treatment Center. Trustee Van Buren inquired about the current status of the new CHP #1. He thanked Staff Engineer Bielawa for the updated Unsewered Area Plan. Lastly, he thanked General Manager Underwood for her work with potential federal grant funding for a District infrastructure project – the funding (if the project was selected) could come from Congress' annual appropriations spending associated with the federal budget.

Trustee Sejnost also expressed her appreciation to Trustee Coultrap for his time serving on the Board. She also inquired about the proposed part-time IT Coordinator position, noted in Administrative Supervisor Campbell's report, sharing similar thoughts about whether a full-time role might be more beneficial for the organization. She commended Safety Coordinator Gwozdz and the safety committee for their hard work to improve safety throughout the District, inquired about the status of putting reflective safety decals on the vehicles and emphasized the importance of safety of District employees and vehicles while on the road. She also noted the new outdoor gazebos for employee meetings and eating at the Administration Center and Wastewater Treatment Center. Trustee Sejnost commented on the personal thank you note from a District customer. Lastly, she noted the updates to the District's Covid-19 Preparedness Plan.

Trustee Coultrap also commented on the handwritten letter from a District customer. He thanked the District for everything while he served on the Board. He also noted the importance of protecting the District's servers from cyber-attacks.

Staff thanked Trustee Coultrap for his time serving on the Board. Staff also updated the Board on the status of the wipes labeling legislation sponsored by the Illinois Association of Wastewater Agencies.

A motion was made by Trustee Coultrap seconded by Trustee Sejnost to adjourn the regular meeting at 7:44 p.m. The motion carried.

Approved: June 15, 2021

MEMORANDUM

TO: Board of Trustees

FROM: Amy R. Underwood, General Manager

DATE: June 11, 2021

RE: Northwest Lift Station Solar Power Purchase Agreement Termination

On behalf of the District, Attorney Mike Philipp sent a Notice of Termination to TCA Microgrid Energy, LLC on June 10, 2021. The Notice terminated the Power Purchase Agreement (PPA) for solar power at the Northwest Lift Station (NWLS) due to the installation not being completed within the contract time.

The lender for the solar project partners requested the PPA be amended to ensure they have access to the NWLS site for the 25-year term of the PPA. Since the District does not own the access roads to the NWLS, the District was unable to agree to the requested PPA amendment.

RE: 2021 Levy Ordinance

The proposed 2021 Levy Ordinance is attached. This levy of \$1,369,200 for sanitary sewer system repairs and replacements and repayment of loans under the American Recovery and Reinvestment Act of 2009 / Illinois Environmental Protection Agency's Water Pollution Control Loan Program represents a 3.63% increase over the 2020 levy of \$1,321,300. In accordance with the tax cap, the County Clerk will automatically reduce this levy to reflect the approved consumer price index for tax year 2021, which is 1.4%.

A copy of the Calculations for Truth in Taxation Process worksheet prepared by the DuPage County Clerk's office is also attached. This worksheet indicates that the District 2021 tax levy request cannot exceed \$1,369,254.73 in order to comply with the Truth in Taxation Act.

Staff will request Board approval of this levy ordinance at the June 15 regular meeting.

APPROVED this 15th day of June, A.D., 2021.

President, Board of Trustees of the DOWNERS GROVE SANITARY DISTRICT DuPage County, Illinois

ATTEST:

CERTIFICATE OF LEVY

STATE OF ILLINOIS

COUNTY OF DUPAGE

To the Clerk of DuPage County:

I, PAUL W. COULTRAP, do hereby certify that I am the duly elected Clerk of the Board of Trustees of the Downers Grove Sanitary District, a body politic and corporate in DuPage County, Illinois: and that pursuant to the authority vested in said Board of Trustees within Section 12 of the Sanitary District Act of 1917, as amended, the Board of Trustees, in meeting assembled on June 15, 2021, did direct and authorize that there be raised by general taxation the amounts hereinafter set forth, to be levied upon all the taxable property in said Sanitary District, in order to meet and defray the necessary expenses and liabilities of the Sanitary District as required by law, and the amounts so required are itemized and needed for uses and purposes as follows, as appears from the record of the proceedings of said Board of Trustees meeting, now on file in my records, to-wit:

SANITARY SEWER SYSTEM REPAIRS AND REPLACEMENTS AND RE-PAYMENT OF LOANS UNDER THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009 / ILLINOIS ENVIRONMENTAL PROTECTION AGENCY'S WATER POLLUTION CONTROL LOAN PROGRAM \$1,369,200

TOTAL \$1,369,200

Making the amount to be raised by taxation and levied upon all taxable property in said Sanitary District, for the necessary expenses and uses aforesaid for the general corporate purposes, the sum of \$1,369,200.00. And it is hereby directed that the aforesaid sum be raised by taxation, in the manner provided by law.

Dated June 15, 2021.

RE: Real Estate Tax Levy and Rate for 2020

Attached is the final tax levy notice from the County Clerk for last year's tax levy which is paid by the District's customers this year as part of their tax bill. The levy contains the \$1,321,300 general corporate levy to be used for sanitary sewer system repairs and replacements and repayment of loans under the American Recovery and Reinvestment Act of 2009 / Illinois Environmental Protection Agency's Water Pollution Control Loan Program.

The 2020 rate of 0.0400 is 1.48% less than last year's rate (see attached Tax Levies and Tax Rates table). Last year's tax rate went up slightly which had signaled that an economic slowdown was starting to impact assessed property values, but the tax rate's decline this year seems to indicate that property values were able to maintain growth in the past year. The District's assessed valuation increased from \$3,287,185,728 to \$3,443,643,973, an increase of 4.76%. It is the sixth year in a row that this figure has increased. The District tax rate this year was reduced by the tax cap limitation. The tax cap reduced the District extension by \$33,437.23 to a total extension of \$1,304,052.12 which represents a 3.63% increase over last year's extension of \$1,258,420.60. Increases in the extension have averaged 2.71% over the past 10 years.

Based upon information provided by the County Clerk, we calculated the following breakdown of the change in assessed valuation:

New construction	\$ 36,661,830
New annexations	471,820
Adjustments to existing assessed valuations	112,628,815
(average increase of 3.53%)	\$149,762,465

Assuming the median assessed value of a single family residence was at \$105,165 (taken from the FY 21-22 budget figure found on page 27 of the Five Year Financial Plan for FY21-22), District taxes are estimated to be \$42.07 per residence this year compared to \$41.05 last year, an increase of 2.48%.

Because of both the Downers Grove Central Business District TIF and the Downers Grove Ogden Avenue TIF, District taxes were reduced from an "actual extension" of the tax levy of \$1,334,513.00 to \$1,304,052.12 (-\$30,460.88) for 2020.

A table is attached which details the calculation of the levy and indicates the reduction due to the tax cap and the TIFs.

DOWNERS GROVE SANITARY DISTRICT

MEMO

TO: Board of Trustees

FROM: Clay Campbell Administrative Supervisor

DATE: June 11, 2021

RE: Local Government Wage Increase Transparency Act Compliance - Mike Hayward

On July 28, 2016, the Local Government Wage Increase Transparency Act was signed into law as Public Act 099-0646 (enclosed as Exhibit A). This law requires a unit of local government to follow particular steps if it is anticipating making qualifying payments to an employee that has announced their retirement. Payments to the retiring employee qualify for this process if the payments: (1) are conditioned on the employee notifying the employer of an intent to retire; (2) would have the effect of increasing the employee's reportable monthly earnings by more than 6% compared to the previous month; and (3) would be made between 12 months and 90 days prior to the expected retirement date.

The District's vacation payout policy, a copy of which is enclosed as Exhibit B, provides for employees hired prior to January 1, 2012 to receive a payout of accrued vacation leave over the last 6 months of their service with the District provided they have notified the District of their intent to retire on a certain date and have the requisite number of years of service with the District and qualifying amounts of accrued sick and vacation leave. Accrued sick leave is not paid out to the employee and merely serves as an additional qualifier for eligibility.

A portion of payouts made to an employee under this policy fit the criteria in Public Act 099-0646.

This Act requires that two steps must be followed during an open meeting of the District before any of these payments can be made to the retiring employee:

- 1) The District's Board discusses the specific anticipated payments by disclosing the five following items:
 - a. Identity of the Employee;
 - b. Purpose and Amount of the Increase or Payment;
 - c. Proposed Retirement Date for the Employee;
 - d. Effect of the Payment upon the Expected Retirement Annuity of the Employee; and
 - e. Effect of the Payment upon the Liability of the Employer to its Illinois Municipal Retirement Fund (IMRF) Account.
- 2) The District's Board of Trustees makes a determination that the anticipated payments are permissible.

The District received official notice on May 25 from Mike Hayward, an Operator for the District, that he intends to retire on March 31, 2022. As of the date of his notice, he has the requisite number of years of service (a minimum of 20), accrued sick leave (a minimum of 1,040), and accrued vacation leave in order to have 300 vacation hours paid out to him over the last six months of his employment.

Attached is a completed summary spreadsheet enclosed as Exhibit C offered by IMRF to assist employers with the pension effect calculations required by Public Act 099-0646.

We will be seeking action by the Board at the June regular meeting to permit additional wage payments to Mike Hayward spreading 300 hours of vacation over the last 6 months of employment according to the District's employment policy in the amount of \$11,156.96, in anticipation of his announced retirement date of March 31, 2022, increasing his retirement monthly pension amount by \$64.77, and increasing the cost of his pension annuity and DGSD's pension cost by \$9,776.00.

cc: KJR, MJS, RTJ, ARU, MGP

Enclosures

Public Act 099-0646

HB5684 Enrolled

AN ACT concerning public employee benefits.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Local Government Wage Increase Transparency Act.

Section 5. Disclosure of certain wage increases made to employees under Article 7 of the Illinois Pension Code.

(a) This Section applies only to a participating employee under Article 7 of the Illinois Pension Code (IMRF) who began participation before January 1, 2011 and who is not subject to a collective bargaining agreement with respect to the employment upon which the participation is based.

(b) The definitions in Article 7 of the Illinois Pension Code also apply to this Section.

As used in this Section, "disclosable payment" means a payment, whether in the form of an increase in the rate of earnings or a lump-sum payment, that:

(1) would be made by a participating employer to a participating employee after the employee has expressed to the employer his or her intent to retire or withdraw from service;

(2) would have the effect of increasing the employee's reportable monthly earnings from that employer by more than

Public Act 099-0646

HB5684 Enrolled

LRB099 19522 EFG 43916 b

6% compared to the previous month; and

(3) would be made between 12 months and 90 days prior to the employee's expected termination of service.

However, "disclosable payment" does not include a refund of contributions or any payment required to be paid by State or federal law.

(c) A disclosable payment shall not be made or payable unless the governing body of that participating employer has first discussed the specific payment to be made at a meeting open to the public and posted and held in accordance with the requirements of the Open Meetings Act. At the meeting, the governing body shall, at a minimum, disclose (1) the identity of the employee, (2) the purpose and amount of the increase or payment, (3) the proposed retirement date, (4) the effect of the payment upon the expected retirement annuity of the employee, and (5) the effect of the payment upon the liability of the employer to the Article 7 Fund.

(d) The determination of whether the disclosable payment is permissible under this Section shall rest exclusively with the employer.

(e) A participating employer may not make a disclosable payment to an employee in a manner inconsistent with this Section. This Section is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution. **For employees hired prior to January 1, 2012,** at separation from employment with the District, an employee will receive payment for unused vacation time as follows:

- 1. An employee who provides at least six (6) months' notice of retirement or resignation, and who has at least thirty (30) years of service and 1,040 hours of accumulated sick leave on the retirement or resignation announcement date, may carry over his or her unused vacation time from the announcement year into the year that the employee retires or resigns. The employee may elect to receive payment for up to 400 hours of unused vacation time spread equally over the last six months of employment. Such use of vacation time will not count as time worked for overtime purposes. All other unused vacation time must be used by the employee prior to retirement or resignation in accordance with this policy.
- 2. An employee who provides at least six (6) months' notice of retirement or resignation, and who has at least twenty (20) years of service and 1,040 hours of accumulated sick leave on the retirement or resignation announcement date, may carry over up to 100 hours of his or her unused vacation time from the announcement year into the year that the employee retires or resigns. The employee may elect to receive payment for up to 300 hours of unused vacation time spread equally over the last six months of employment. Such use of vacation time will not count as time worked for overtime purposes. All other unused vacation time must be used by the employee prior to retirement or resignation in accordance with this policy.
- 3. An employee who provides at least six (6) months' notice of retirement or resignation, and who has at least ten (10) years of service and 520 hours of accumulated sick leave on the retirement or resignation announcement date, may carry over his or her unused vacation time from the announcement year into the year that the employee retires or resigns. The employee may elect to receive payment for up to 200 hours of unused vacation time spread equally over the last six months of employment. Such use of vacation time will not count as time worked for overtime purposes. All other unused vacation time must be used by the employee prior to retirement or resignation in accordance with this policy.
- 4. A retiring or resigning employee who does not meet the criteria contained in paragraphs 1, 2 or 3 above or any terminated employee shall receive payment for any unused vacation time on the employee's final paycheck.

EXHIBIT C

Accelerated Payment Estimate Calculation for Mike Hayward

	Wage Period	Wages for Pension	Increase	6%	Excess	Wa	ges as Entered
Base Year	May 2017 - April 2018	\$ 78,182.04				\$	78,182.04
Year 1	May 2018 - April 2019	\$ 80,982.37	\$ 2,800.33	\$ 4,690.92	\$ -	\$	80,982.37
Year 2	May 2019 - April 2020	\$ 82,001.63	\$ 1,019.26	\$ 4,858.94	\$ -	\$	82,001.63
Year 3	May 2020 - April 2021	\$ 82,597.19	\$ 595.56	\$ 4,920.10	\$ -	\$	82,597.19
Year 4	May 2021 - April 2022	\$ 95,073.32	\$ 12,476.13	\$ 4,955.83	\$ 7,520.30	\$	95,073.32
		\$ 418,836.55			\$ 7,520.30	\$	418,836.55

Birth Date	1957
Retirement Date	4/1/2022
Member's Age	65.192
IMRF Service at Retirement	23 Years
	2 Months
Male/Female	Male
Marital Status at Retirement	Married
IMRF Service Type	Regular
Excess (AP Wages)	\$ 7,520.30
Divide by 48	\$ 156.67
Times Service Factor	41.339%
Retirement from AP Wages	\$ 64.77
Annuity Factor	156.16438
Increase to Present Value Caused by Excess	\$ 10,115.00
Member Contributions on Excess	\$ 338.00
AP Amount	\$ 9,776.00

BASED ON THE INFORMATION ENTERED, THE ESTIMATED ACCELERATED PAYMENT FOR MIKE HAYWARD WILL BE \$9,776.00

The above estimate is based on information you entered. Wages before those entered have not been considered for the 125% rule. The actual AP amount will be determined after IMRF reviews the final wages and may include wages after the month of termination and sick time converted to IMRF service. The final AP uses the highest 48 months in the member's Final Rate of Earnings (FRE) calculation, which may not be the last 48 months.

Please remember that the estimate and the original notice from IMRF may include amounts for which you may claim an exclusion. Please review General Memorandum 620, for a list of exclusions that may be claimed.

The Accelerated Payment (AP) is not a penalty and does not increase the cost to the employer. The AP only requires current funding for your employee's retirement that were based on reported wages that were above the normal actuarial assumptions.

DOWNERS GROVE SANITARY DISTRICT

<u>M E M O</u>

TO: Amy R. Underwood General Manager

FROM: W. Clay Campbell Administrative Supervisor

DATE: June 11, 2021

RE: Progress Report – May, 2021

ADMINISTRATIVE

Personnel

General Manager Underwood and I have been informed by one of our employees of their intention to retire in 2022. There is a separate memo in this month's board packet regarding this. It is our intention to plan out a transition and succession planning strategy for backfilling this anticipated position opening.

Reimbursement Program for Sanitary Sewer Backups Caused by Public Sanitary Sewer Blockages

There have been no new backups resulting from a mainline blockage since the last update, and as a result, I have not included a new summary.

Group Health Insurance Open Enrollment

Employee enrollment was completed on May 31 with 34 employees making the following plan selections (retirees not included):

Option 1 (Platinum HMO):	21 (62%)
Option 2 (Gold Hybrid PPO):	6 (17%)
Option 3 (Blue Choice Preferred PPO):	5 (15%)
Waiver of Medical:	2 (6%)

Flexible Compensation Plan

Employees received materials on April 22 for an open enrollment window through May 22 for participation in the District's Flexible Compensation Plan that provides tax savings through payroll deductions for both out-of-pocket eligible medical expenses and dependent care expenses. We have 9 employees participating with a total deferral amount of \$9,975.

Safety Committee and Related Safety Matters

To better accommodate work schedules, the Safety Committee decided that starting in June, meetings will be moved to the end of the month. The next meeting is scheduled for June 24. At the end of May, the Committee closed out five incident reports with newly implemented hazard mitigation methods including:

- Removal of round rocks on a walking slope near the Primary Clarifiers and replacing the rocks with crushed gravel to allow for more solid footing;
- Improved safety measures in buildings using polymer, including "caution, slippery floor" signage and scheduling of routine cleaning of the floor with a polymer solvent;
- Installation of a flip-down step on the south side of the Primary Clarifiers, which reduced the step-up height by 50%. Prior to the installation of this step, the step-up height was too high and was ergonomically awkward;
- Installation of protective guards over exposed moving parts on recirculating pumps in Digester 1&2 Control Building; and
- Education of the District's contracted landscaper regarding the importance of leaving safety guards installed on his equipment.

At the time of this progress report, the District's Covid 19 Plan is under revision to align with recent changes in guidance from local authorities, particularly with the transition to Phase 5 in Illinois on June 11.

Technology Update

Comcast completed installation of a new fiber circuit on May 24. Staff is presently in the process of evaluating a cloud VOIP-based phone system that would provide significant resiliency over the existing aging phone system and a higher level of responsiveness in the event of a distributed workforce working remotely like the District's staff has been over the last year. This new system would utilize the newly installed fiber circuit. As of next week, the District's existing Xfinity Business Internet service will become a secondary resilient internet resource in the event the fiber circuit fails (particularly for our lift stations communications).

The customer billing portal project with CityInsight is continuing to proceed on schedule – on June 4 Larry Kravets of Concentric Integration assisted the District with a minor update to its Accounting Server OS to provide additional security communication protocols needed for this project. I will continue to apprise the Board on this project's progress as updates occur.

I am still continuing to work with Concentric Integration to finish migrating various "services" off of the District's old Admin IT server and onto the new replacement server so as to not interrupt the resources for staff. We are currently in the process of migrating our MP2 CMMS software. The following is a detailed summary of the Invoice Cloud portal's utilization in the last month and since the portal's launch in February 2015 through the end of last month:

66
1,686

FINANCIAL

Annual Audit

Fieldwork was mostly completed remotely by Lauterbach & Amen, LLP the week of May 24. There are several outstanding audit items that are still being completed by staff in the coming weeks. It is anticipated that the final audit for Fiscal Year Ending April 30, 2021 will be presented to the Board at its regular August or September meeting.

Treasurer's Report and Investment Activity

The monthly Treasurer's Report is included separately in the packet each month and detailed investment information (financial institution name, current rate and dollar amount) is provided on the District's Investment Schedule also provided separately in the packet each month.

User Billing

Detailed billing information is attached to this report.

CODE ENFORCEMENT & UNSEWERED AREAS

Building Sanitary Service Repair Assistance Program; Infiltration and Inflow Removal Program; and Overhead Sewers and Backflow Prevention Devices Reimbursement Program

I have continued to perform the legal review of both Program Agreements and Access Agreements for all of the above programs as prepared by our office prior to execution by the parties.

Sewer Permitting Process

I have continued to perform the legal review of Access Agreements and Annexation Petitions prepared by our office as needed by sewer permit applicants.

One account from 2012 and another from 2014 are the only two remaining sewer disconnections.

To: Amy Underwood, General Manager From: Marc Majewski, Operations Supervisor Re: Month of May, 2021 WWTC Operations Report. Date: June 9, 2021

Attached please find detailed operating data and our monthly report to Illinois EPA for May. We had no excursions over our permit limits in the month of May.

Certain highlights of operational activities included:

- Monthly flow: Average daily flows to the plant were 9.86 MGD. Total precipitation at the WWTC was 3.47". There were no excess flow events during the month of May. There were 5 days of discharge over 11 MGD.
- Activated sludge: Operating performance improved throughout the month of May. Floc formers are predominating leading to good solids settling. Seasonal operation of aeration tanks 3 & 4 has ended, both tanks were emptied and taken out of service.
- Anaerobic Digesters: Pumped a total of 1,026,692 gallons of primary sludge, 243,222 gallons of TWAS, and 293,116 gallons of waste grease for a total of 1,563,030 gallons pumped to digesters. Total Volatile Solids destruction was calculated at 64.2% for May.
- Digester gas: Total digester gas production was 7,052,698 cubic feet. 5,618 cubic feet of gas was used for anaerobic digestion heat, and 6,400,871 cubic feet was used in the CHP facilities. 101,853 cubic feet of flared gas was recorded during the month. The Munters dehumidifier used 544,355 cubic feet of gas.
- Bio-solids: Bio-mechanics distributed 260 dry tons of class A biosolid in the month of May, with a year to date total of 559 dry tons distributed.
- Electricity: Overall net energy from ComEd was: -114,175 KW-Hrs. Electricity Generated by the CHP system was 510,884 KW-Hrs. Monthly net energy (including natural gas usage) was -110 MW-Hrs for the month of May.

Submission Note

If a parameter row does not contain any values for the Sample nor Effluent Trading, then none of the following fields will be submitted for that row: Units, Number of Excursions, Frequency of Analysis, and Sample Type. Edit Check Errors

No errors.

Comments

31 days discharge. Zero days discharge with A01 and/or C01.

DOWNERS GROVE SANITARY DISTRICT

MEMO

TO: Amy Underwood, General Manager

FROM: Jeff Barta, Maintenance Supervisor

DATE: June 8, 2021

SUBJECT: May 2021 Maintenance Report

Attached is a work order summary detailing equipment repair and preventive maintenance activities conducted by the maintenance/electrical department and operations during May 2021.

Special projects in May included:

Administration Center - Building Code & HVAC Review

A building code and HVAC review was completed in early May by Baxter & Woodman and the architect firm OEMA. A draft report on their findings with recommendations is expected in early June. An air balance and outside air intake testing was also completed by A-Formula Mechanical. This testing was performed to determine the percentage of outside fresh air that is mixed with the building return air on the HVAC system. The results of this testing is also being reviewed by Baxter & Woodman and OEMA and will be incorporated in their report.

Administration Center & WWTC - Indoor Air Quality Improvements

In preparation of returning to pre-pandemic staffing levels, the OEMA architects recommended that we upgrade all of our HVAC systems return air filters to MERV 13 air filters and to install portable air purifiers.

Based on their recommendations, District staff has upgraded all HVAC systems return air with the MERV 13 air filters and portable air purifiers have been deployed at the Administration Center and at the WWTC. A total of ten (10) air purifiers were installed at the Administration Center and eight (8) air purifiers were installed at the WWTC. Each individual office at both locations and all common areas now have these air purifiers installed. The MERV 13 filters were purchased from Grainger, and the eighteen (18) air purifiers were purchased from Amazon.

In addition to the MERV 13 filter upgrades and the air purifier installations, District staff also removed and cleaned all of the HVAC supply and return air vents at both locations to ensure maximum air flow. At the Administration Center, two (2) additional cold air returns were also added in the open office area to improve air flow.

Aeration Tanks 5, 6 &7 – Biological Phosphorus Removal System Repairs

After almost 4 years of service, several of the air control solenoids for the tank mixing system were worn out and no longer operate. Considering that each air control solenoid activates every 12 minutes, 24 hours a day this was not unexpected. District staff replaced all twelve (12) of the air control solenoids along with the heat tracing around each control valve that prevents them from freezing in the winter. The mixing system is back in full operation.

Grit Pumps 3&4 – Discharge Valve Actuator Replacement

The existing AUMA actuator on the discharge valve from the grit pumps had failed. A new Rotork actuator has been installed with a spare unit from stock and is back in operation. Another spare actuator has been ordered from LAI Ltd. and is expected to be delivered in 4-6 weeks. The cost of this actuator from LAI Ltd. is \$4,497.

Sludge Recirculation Pump 5 - Mechanical Seal & Seal Housing Replacement

The mechanical seal on the pump had failed. District staff removed the pump from service to determine the cause of the seal failure. It appeared that the seal housing (that holds the seal in place) was deteriorated and caused an internal leak that damaged the seal. A new seal housing, shaft sleeve and mechanical seal were installed. The pump was reassembled and put back into service. All of the repair parts that were used for this repair were from stock. A request for quote to purchase these parts again to put back in inventory has been submitted to LAI Ltd. The actual cost of this repair was not available at the time of this report. I anticipate the total cost will be around \$3,500.00.

Raw Sewage Pump 3 – Motor Repair

The 100 hp pump motor was removed from service due to excessive noise from the motor bearings. After the motor was disassembled at Rainbow Electric, the cause of the excessive noise was determined to be failure of the lower bearing. The bearing had seized and caused some minor shaft damage in the bearing area. The shaft was repaired, both upper and lower bearings were replaced, windings were cleaned and tested, and the motor was reassembled. The pump motor has been reinstalled and is back in service. The total cost of the motor repairs at Rainbow Electric was \$2,470.00.

Misc. Vehicle Repairs

Lift Station Truck #307 - 2012 Ford F-350

The driver's side running board was damaged during a snow event this past winter. A new running board was purchased from Packey Webb Ford and installed by District staff. The cost of the replacement running board was \$320.75.

General Managers (Amy's Car) #316 - 2014 Honda Civic CNG

The starter failed and needed to be replaced. After receiving a quote for this repair from Honda of Lisle that was over \$900.00, we decided to purchase a starter and install it in-house. A new starter was purchased from Auto Zone and it was installed by District staff. The cost of the starter replacement was \$186.99.

System Supervisors (Bob's Truck) #351 - 2015 Ford F-150

The brakes required replacement both front & rear. New brake pads, grease seals, hardware kits and rotors were purchased from Auto Zone. The new brakes were installed by District staff. Total cost for the complete brake job was \$291.58.

Work Order Summary

Work Order Completion Dates from 5/3/2021 to 5/28/2021

Work Assignment	Completion Date	Equipment	NOTATIONS
3 Month check and repair of Belt Press Ventilation Fans	03-May-21	l Belt Filter Press Building	3 Month check and repair of all ventilation fans at Belt Filter Press Building.
Check, Clean and Grease HVAC Fans/Blowers		Digester 4 - 5 Control Buildg	Check upstairs and downstairs units at Digester 4-5 Building.
		Grit Building	
Check cycling issue on west HVAC unit in the upper level building.		Hobson Lift Station	A-Formula out, cycle power & reset unit. Verify proper am draw & refrigerant pressures. No problems found after resetting unit.
Replace Air Filters On Both Maintenance Building Furnaces		Maintenance Services Building	Replace filters for both furnaces.
Replace Air Filter On Operations Center Furnace		Operations Center	Replace air bear filters 26x25x5.
Primary 7-9 shear pin and hub naintenance		Primary Clarifier 7	Remove, clean, and lube long collector shear pins.
		Primary Clarifier 8	
		Primary Clarifier 9	
MONTHLY BAR SCREEN HARDWARE AND CHANNEL INSPECTION	04-May-21	Bar Screen 1	Monthly check of Bar Screen 1 & 2 hardware and influent channel debris.
		Bar Screen 2	
By-Weekly Fluid and Misc. Check of Generators		Emergency Generator 1	
		Emergency Generator 2	
		Emergency Generator 3	
Grease fittings on munters unit		Filter Building	
Run And Inspect Generators With The Load Of The Plant	05-May-21	Emergency Generator 1	
		Emergency Generator 2	
		Emergency Generator 3	
Service Auger #1	06-May-21	1 2014 AUGER-DAWG G- 30 4D091	Replaced and rebuild support hub assembly with new.
Lubricate skid steer and attachment mechanisim		2019 Skid Steer	
Remove 3 dead trees at Intermediate 2, 003 Discharge & System Garage.		WWTC Landscaping	Undercutters Tree Service removed all 3 trees and ground all stumps.
Install rebuild kits an all 12 air solenoids for mixing system.	10-May-21	Aeration Tank 05	Rebuild all 12 air solenoids and test operation. Also replaced the heat tracing at all locations.
		Aeration Tank 06	
		Aeration Tank 07	
Exercising of bar screen sluice gates 1 and 2		Bar Screen 1	
-		Bar Screen 2	
Exercise valves at Belt Press Building		Belt Filter Press	
-		Belt Filter Press Building	
		Belt Press Feed Sludge Pits

Progress Report

To: Amy Underwood, General ManagerFrom: Reese Berry, Laboratory SupervisorDate: June 9, 2021Re: May 2021 Laboratory Report

We had zero excess events in the month of May. We had no permit excursions in May.

Surcharge:

We began the Surcharge sampling program again this year. We completed 1 week in the month of May, with 5 locations sampled. We plan to sample 40-50 locations this year depending upon weather and workload. After not sampling during the Covid Pandemic, we decided it was important to restart this program as soon as possible. We are hoping to get another week or 2 completed during June, but vacation requests might limit that ability.

Biosolids:

We completed our routine sampling of class A biosolids material, during the month of May. The results were acceptable for our program. We also tested the final compost pile for Salmonella, which the results were non-detectable for Salmonella. All material is ready for delivery to customers or giveaway at the pickup station.

Personnel:

May 2021 was a return to a fully staffed laboratory at DGSD. We are happy to be back and begin the work we are used to doing on a regular basis. Malwina, Stephanie and myself are appreciative of the safety guidelines that allowed us to perform our jobs, but keep us and our family's safe at the same time.

Pretreatment:

We are gearing up to sample during the month of June at our industrial customers. Each location has semi-annual requirements we will be sampling for during June. Sampling was completed for the semi-annual plant requirements during the last week of May. This data from Influent, Primary effluent, Final effluent and biosolids will help evaluate our local limits requirement in our upcoming NPDES permit.

HHS (Covid19 Sampling):

DGSD was chosen to join the nationwide study. This sampling is done twice per week and utilizes our current Influent composite sample. We ship out the samples on Tuesday/Thursday each week over the course of 10 weeks beginning in June.

To: Amy Underwood, General Manager From: Alex Bielawa, Staff Engineer Re: Engineering Report for the Month May, 2021 Date: June 11, 2021

I. Planning Projects & Studies

A. Flow Monitoring

Data collection for Cycle E is ongoing.

B. Composting Pilot

District Staff is currently reviewing the final report with Sustainable Generation.

C. Sewer Televising

The agreement has been fully executed with Sewertech LLC. Work is scheduled to begin in July.

D. Administration Center Building Code/HVAC Review

Baxter & Woodman and OEMA are continuing to work on a report summarizing their findings and recommendations from the walk through on May 7th.

E. Outfall Sewer Study

Baxter & Woodman has completed the wetland delineation for the portion of the outfall sewer that was not part of the Outfall Sewer Sag project.

II. Design Projects

A. Centex Lift Station Replacement

Baxter & Woodman is currently designing the Lift Station. The project is scheduled to go out for advertisement next week.

B. Outfall 001 Sanitary Sewer Repair

A section of the 001 Discharge Sanitary Sewer that carries our treated Effluent from the Treatment Center to the East Branch of the DuPage River is sagged. The project was bid but not awarded last year; Baxter & Woodman is currently working on editing the plans and specifications in anticipation of rebidding the project this year.

C. Curtiss Street Sewer Lining

Baxter & Woodman has completed the wetland delineation for the Curtiss St. lining project. Additionally, the District has authorized Baxter & Woodman to begin work on the plans and specifications for the project.

III. Construction Projects

A. 1K-028 Flow Basin Rehabilitation – Phase 3

The contract has been signed by Performance Construction & Engineering. Baxter & Woodman is currently working on scheduling a pre-construction meeting. Work is tentatively scheduled to begin in July.

IV. Operational Assistance

A. CHP No.1 Replacement

Baxter & Woodman helped the District with the ComEd interconnect agreement application for the new CHP.

TREASURER'S REPORT

GENERAL MANAGER'S REPORT TO EMPLOYEES

WWTC Operations Data – April

The DMR for April indicates that the final effluent averaged 1.1 mg/l CBOD, 0.6 mg/l suspended solids and 0.11 mg/l ammonia nitrogen over a daily average flow of 8.69 MGD. We had no permit excursions during the month of April.

<u>Sewer Permits – April</u>

There were 7 sewer permits issued in April – 3 single family, 1 commercial and 3 disconnections.

<u> Financial Data – April</u>

In April, the District received \$642,835 in the General fund, including \$241,702 in user charges, \$18,308 in surcharges and \$324,039 in monthly fees. General fund expenses totaled \$768,828. The Improvement fund had revenues of \$17,508 and expenses of \$73,447. The Construction fund had revenues of \$47,911 and expenses of \$14,404.

COVID-19

CURRENT MITIGATION PLAN TIER OR PHASE FOR DGSD (REGION 8): <u>BRIDGE TO</u> <u>PHASE 5</u>

If you have been traveling to and are returning from out-of-state, you may be asked to selfquarantine prior to returning to work. Please check with your supervisor or the District's Safety Coordinator in advance of traveling out-of-state to determine beforehand if a quarantine will be necessary upon your return.

To date, two thirds (2/3rd) of employees are fully vaccinated. If you are fully vaccinated and have not yet submitted a copy of your COVID-19 Vaccination Record Card to Carly, please remember that you will need to do so in order to receive the \$200 incentive. Thank you to everyone who has taken this step to help provide a safer working environment for all employees.

Group Health Insurance and Flexible Savings Arrangement

Please note that Amy Abell is still generally available to answer any questions you may have regarding either the group health and flex open enrollment. Please submit any enrollments electronically if you have not done so already. The deadline for open enrollment is as follows – Flexible Savings Plan (May 22) and Group Health Insurance Plan (May 31).

TopHealth

Enclosed is the June Edition of TopHealth Newsletter.

Sewer Rehabilitation/Infiltration and Inflow Removal

We are targeting the 1-K-028 area for private property inspections and I/I removal. We are also monitoring the area around the 1-M-049 manhole to evaluate flows in the vicinity and impacts of

the installation of a bolt-down cover at 1-M-049. Data collected shows that the local system containing 1-M-049 appears to be operating satisfactorily. Regular flow monitoring continues.

Status of Projects

1) 001 Outfall Pipe Repair

The District is working with Baxter & Woodman to finalize the plans and specifications.

2) Composting Pilot

The equipment has been returned to the manufacturer. District staff is currently reviewing the draft report on the pilot.

3) Centex Lift Station Replacement

District staff is currently reviewing the plans and specifications. We expect to advertise this project for bids in mid-June.

4) 1K-028 Basin Rehabilitation Phase 3

Bids were opened on May 11th. The low bidder was Performance Construction & Engineering.

5) 2021 Sewer Cleaning and Televising

Bids were opened on May 11th. The low bidder was Sewer Tech who completed the work last year.

6) Administration Center Code & HVAC Review

A Code and HVAC review of the Administration Center was completed in early May. The draft report is expected in early June.

COVID-19

CURRENT MITIGATION PLAN TIER OR PHASE FOR DGSD (REGION 8): **<u>BRIDGE TO</u>** <u>PHASE 5</u>

If you have been traveling to and are returning from out-of-state, you may be asked to selfquarantine prior to returning to work. Please check with your supervisor or the District's Safety Coordinator in advance of traveling out-of-state to determine beforehand if a quarantine will be necessary upon your return.

As of the end of next week, three fourths (3/4^{ths}) of employees will be fully vaccinated. If you are fully vaccinated and have not yet submitted a copy of your COVID-19 Vaccination Record Card to Carly, please remember that you will need to do so in order to receive the \$200 incentive. Thank you to everyone who has taken this step to help provide a safer working environment for all employees.

100 Year Anniversary of the District

The District celebrated its 100th year of operation on May 16, 2021. A thank you to all of you that contribute to DGSD providing an essential public service to our communities every day!

Flex Payroll Adjustments

Employees should note that if they are participating in the District's Flexible Plan, any changes to their flex withholdings will be reflected in the first payroll paid after June 1 as the plan year runs from June 1 through May 31.

Sewer Rehabilitation/Infiltration and Inflow Removal

We are targeting the 1-K-028 area for private property inspections and I/I removal. We are also monitoring the area around the 1-M-049 manhole to evaluate flows in the vicinity and impacts of the installation of a bolt-down cover at 1-M-049. Data collected shows that the local system containing 1-M-049 appears to be operating satisfactorily. Regular flow monitoring continues.

Status of Projects

1) 001 Outfall Pipe Repair

The District is working with Baxter & Woodman to finalize the plans and specifications.

2) Composting Pilot

District staff is coordinating with Sustainable Generation to finalize the composting pilot report.

3) Centex Lift Station Replacement

Baxter & Woodman is currently addressing District comments on the plans and specifications. We expect to advertise this project for bids in mid-June.

4) 1K-028 Basin Rehabilitation Phase 3

The contract has been awarded to Performance Construction & Engineering.

5) 2021 Sewer Cleaning and Televising

The contract has been awarded to Sewertech who completed the work last year.

6) Administration Center Code & HVAC Review

The draft report is expected in early June.

MEMORANDUM

To: All Employees

Clerk

From: Amy Underwood, General Manager

Date: May 27, 2021

Re: District Use of Vaccination Status Information

The District is currently drafting an update to the COVID 19 Preparedness Plan to address recent changes in CDC and OSHA guidance as well as Governor Pritzker's most recent Executive Order. District Administration tentatively expects to issue the updated plan in alignment with Governor Pritzker moving the State into Phase 5, which is anticipated to occur on June 11.

Any employee who has provided the District with a copy of their COVID-19 vaccination card should be aware the District may use your vaccination status for the following purposes:

- 1. Providing each fully vaccinated employee with a \$200 incentive
- 2. Contact tracing
- 3. Administration of relaxed mask use procedures

4. Administration of other procedures in the COVID-19 Preparedness Plan related to vaccination status In order to accomplish Items 3 and 4 above, I will need to let the supervisor of each fully vaccinated employee who has provided proof of vaccination know that the employee is fully vaccinated. If you have questions or concerns about how your private information will be used, please contact Clay or myself by June 11.

C: BOT, BOLI, WCC, MGP
